Mobile healthcare solutions

Vanguard Healthcare Solutions provides flexible clinical capacity solutions to acute hospitals across the UK and internationally. Its mobile care facilities allow clinics to provide the highest level of patient care whilst maintaining control of the clinical pathway within their own healthcare estate.

Over the past 20 years, Vanguard has supported more than 100 UK hospitals and over 275,000 procedures have been conducted in their facilities.

The right tools for growth

Roll out

We have supported Vanguard to develop a purpose-built 6,600m² transport and logistics facility in Manningtree as part of an expansion programme for the business

"Vanguard are a truly differentiated provider of healthcare solutions to NHS trusts and healthcare organisations around the world. We look forward to continuing to support the growth of the business going forward."

About Livingbridge

Livingbridge is a mid-market private equity firm with offices in the UK, the US and Australia, investing in fast growing companies valued up to £300m.

Our team have been backing growing businesses together for twenty years. We've done it over a hundred times, turning many into household names both at home and abroad. We get growth.

We understand the people behind growing companies in consumer markets; healthcare and education; technology, media and telecommunications; financial services and business services, and help them achieve what's right for them and their business.
