INVESTMENT YEAR: 2006

REALISATION YEAR: 2013

SECTOR: Technology

Supplier of library and asset management software

MLS supplies library and asset management software solutions to primary and secondary schools and colleges.

We invested to help execute an impressive growth strategy, which saw the company take market share, launch innovative new products and start building a global footprint. At realization, turnover had almost doubled, with the company values, culture and dedication to providing best in class systems and services being maintained throughout.

*Livingbridge have been excellent investors and incredibly supportive since their investment in 2006 and have enabled the management team to realise our vision for MLS. Together with the team at MLS, we have created an exciting and innovative business that is well positioned for continued growth both in our core UK market and overseas under the new ownership*
