INVESTMENT YEAR: 2021

SECTOR: Technology

Leading Data Security and Compliance SaaS Platform

Sycurio provides secure cloud, hybrid and on-premises solutions to contact centers and all businesses accepting payments. In a digital world that has transitioned to remote work environments, its award-winning payment solutions enable organisations to collect personal data securely across all channels - including the telephone, webchat, social media, email, SMS, QR codes and more.

Our investment will play a critical part in facilitating Sycurio's ambitious growth plans in the US, building its regional channel partner network through increased investment in product development and people on the ground.

Founded in 2009, the company now supports customers in 26 countries on five continents.

"Livingbridge's investment will allow us to continue to enhance our global leadership through continued solution innovation, global expansion and enhancing security and consumer experiences for our rapidly expanding customer base."

Gary E. Barnett
CEO, Sycurio
