INVESTMENT YEAR: 2022

SECTOR: Technology

UK-based security services firm

Founded in 2016 by CEO Federico Charosky, Quorum Cyber's innovative services enable enterprises including banks, cloud providers and major brands to thrive in an increasingly hostile digital landscape.

As a Microsoft Gold Partner and Microsoft Intelligent Security Association (MISA) member, Quorum Cyber specialises in delivering risk reduction outcomes through the power of Microsoft Security Technologies via its in-house team of experienced and qualified professionals.

Livingbridge identified Quorum Cyber as a unique business with a proven track record that is well-positioned to benefit from the momentum for quality security solutions.
