Provider of **digital care planning software** to the UK social care sector

Founded in 2011, Nourish is a cloud-hosted Digital Care Planning Platform supporting care providers and carers in the evidencing, and accessing of care records, and enabling better care provision using data insight and reporting.

The easy-to-use mobile app offers personalised digital care plans, custom interactions and individual timelines tailored to the needs of every person within residential, nursing, learning disabilities, dementia, supported living and other care settings.

Over the past few years Nourish has grown rapidly and now serves over 300 care providers across over 1,800 settings in the UK from its headquarters in Bournemouth.
