INVESTMENT YEAR: 2018

SECTOR: Healthcare & education

## Homecare operator

Helping Hands provides a wide range of tailored home care services, ranging from its hourly visiting service, to 24-hour live-in care. It also offers a nurse-led clinical care service which enables individuals with complex conditions to be supported at home. The business is headquartered in Alcester, Warwickshire and operates from over 123 branches across the UK.

The provision of high-quality service to its customers and a rewarding working environment for its carers are central priorities for Helping Hands. The company was awarded a top 50 place for the second consecutive year in the annual Glassdoor Employees' Choice Awards: Best Places to Work in 2019.

From the start of our journey  
3495  
employees and carers  
to the company today  
4682  
employees and carers

## The right tools for growth

**Talent**

We supported Helping Hands to expand its senior leadership team, including CFO and Managing Director. We also introduced Andy Hogarth, former CEO of Staffline plc (and former investee of Livingbridge), who became CEO of the Group in May 2019.
